GUEST SPEAKER

HON. MOETI C. MOHWASA.

MINISTER FOR STATE PRESIDENT, DEFENCE AND SECURITY

IDM BOTSWANA BOARD CHAIRPERSON CONGRATULATORY MESSAGE

Dear Class of 2026,

It is with great pride and pleasure that I extend my warmest congratulations to the Class of 2026 on reaching this significant milestone in your academic and professional journeys.

Today, we celebrate more than the attainment of qualifications. We celebrate the perseverance, discipline, resilience and determination that have brought you to this moment. Your achievements are a testament to your commitment to personal growth and to the pursuit of knowledge in an increasingly complex and rapidly changing world.

The theme of this year's graduation, "Thriving as a Continuous Learner in an Ever-Changing World," is both timely and instructive. Graduation marks an important achievement, but it should not be regarded as the conclusion of your learning journey. Rather, it is the beginning of a lifelong commitment to learning, reflection, adaptation and continuous improvement.

As you move into the world of work, entrepreneurship, leadership, academia and public service, I encourage you to remain intellectually curious and open to new ideas and possibilities. The world you enter is one in which technological advancement, including artificial intelligence, is transforming industries, professions and the nature of work itself. Success will therefore require more than the knowledge you have acquired; it will require the ability to learn, unlearn and relearn, to think critically, embrace innovation, solve complex problems and translate knowledge into meaningful and sustainable outcomes.

As graduates of the Institute of Development Management, you carry with you not only a qualification, but also a responsibility to contribute positively to your communities, organisations and societies. May you use your knowledge, skills and experiences with integrity and purpose, and may you continue to grow as professionals, leaders and lifelong learners. On behalf of the Boards of Governors of IDM Botswana, Lesotho and Eswatini, I commend you for this significant achievement and wish you every success as you embark on this next chapter of your

journey. May the road ahead be marked by continued learning, purposeful contribution and meaningful impact in your professions, communities and societies.

Congratulations, Class of 2026. We celebrate you and wish you every success in the journey ahead.

MS. GAONE MANZINI MACHOLO
IDM Botswana Board Chairperson
INSTITUTE OF DEVELOPMENT
MANAGEMENT (IDM) - BOTSWANA

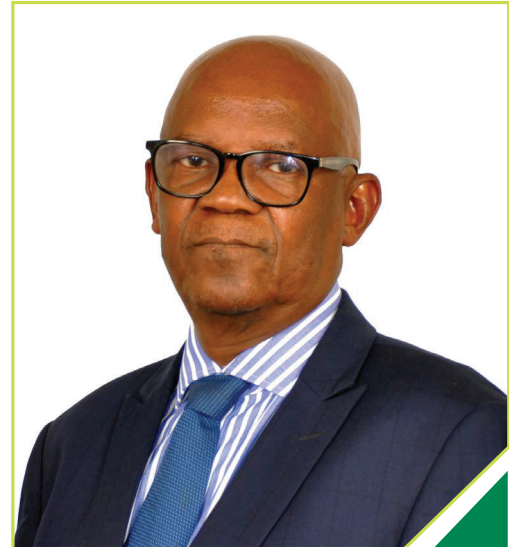

IDM BOTSWANA'S CONGRATULATORY MESSAGE

Congratulations Class of 2026! This is your day. Part of your study period took place as the entire world was making a transition from the COVID-19 pandemic. There was a lot of anxiety.

But amidst all that, there was a renewed appetite to look at things differently and doing things differently. The end of your studies has meanwhile been punctuated by intensified geopolitical dynamics which have disrupted world economies. As if that is not enough, the El Nino phenomenon has emerged as another disruptive force whose impact will be felt globally. You have been exposed to the realities of a one and connected universe. You have seen it all.

This is the world that you need to be ready for, hence the need for you to be unrelenting in pursuit of continuous learning in this ever-changing world. This is a world that has shifted focus from what skills you have, to what problems you can solve.

On a positive note, advances in technology, particularly the growth in the application of Artificial Intelligence (AI), has broadened and looking at things differently and doing things differently. Figure out what the world needs most and get connected. Once more, congratulations and all the best as you journey as a continuous learner in an ever-changing world.

IDM LESOTHO'S CONGRATULATORY MESSAGE

On behalf of the Institute of Development Management (IDM) Lesotho, I extend my heartfelt congratulations to all our graduates on this remarkable achievement. Today celebrates not only your hard work, dedication, and perseverance, but also the support and sacrifices of your families, lecturers, mentors, and loved ones who have contributed to your success.

Under the theme "Thriving as a Continuous Learner in an Ever-Changing Environment," we are reminded that graduation is not the end of learning, but the beginning of a lifelong journey of growth, innovation, and transformation. In a rapidly changing world, the ability to learn, unlearn, and relearn is essential for personal and professional success.

As IDM Lesotho graduates, you leave this institution equipped with knowledge, critical thinking, leadership, and problem-solving skills that will enable you to make meaningful contributions to your workplaces, communities, and society. I encourage you to embrace change, pursue excellence, uphold integrity, and approach challenges as opportunities for growth and innovation.

As Nelson Mandela wisely observed, "Education is the most powerful weapon which you can use to change the world." May you use the knowledge and skills acquired at IDM Lesotho to uplift communities, contribute to national development, and advance the progress of our continent and the world.

As you embark on the next chapter of your lives, remain curious, adaptable, and committed to continuous learning. Let your leadership be guided by service, your decisions informed by knowledge, and your actions driven by a desire to make a positive difference.

Congratulations once again to the graduating class. Carry the name of IDM Lesotho with pride, uphold the values of professionalism and lifelong learning, and strive to leave every workplace and community better than you found it.

May your journeys ahead be filled with purpose, success, and opportunities

for growth as you continue to thrive in an ever-changing world.

Thank you, and may God bless you all.

IDM ESWATINI'S CONGRATULATORY MESSAGE

Dear Class of 2026,

I write to you as someone whose entire career and livelihood has been made possible by education. I know first-hand what a qualification can do: it does not merely change what you earn, it changes what you believe is possible for yourself and for those who come after you. You have earned this achievement through late nights, sacrifices and perseverance. Own it. Cherish this moment for what it represents, and what it unlocks!

The progression of Eswatini as a country will be decided by the daily conduct of graduates like you, in our ministries, classrooms, businesses, farms and communities. I challenge you to bring a relentless work ethic, to hold your integrity when no one is watching, to find the moral courage to do what is right when it is costly, and to practise professionalism in everything you touch. Think globally, as citizens of a connected world who can stand alongside the best, yet serve locally, with humility and a genuine commitment to the Kingdom and its people. These are the values the IDM ecosystem has worked to instil in you, and now the nation, your families, and every other citizen is counting on you to live them out. Go forward, build boldly, serve faithfully, and make Eswatini proud.

Our theme, "Thriving as a Continuous Learner in an Ever-Changing World," reminds us that learning never ends. This is the spirit of "Growing Great Minds": nurturing individuals who embrace change, continue to grow and use their knowledge to make a meaningful difference.

Class of 2026, on behalf of the Board, Faculty, and Staff, Congratulations!
Re a lo akgola bagaka ke lona! Ngiyanihalalisela nonkhe!

On behalf of the Management and Staff of IDM Eswatini, I congratulate you wholeheartedly. We are immensely proud of you!

ADVANCE

The Centre for Continuing Professional Development (CCPD) is the professional training arm of the Institute of Development Management (IDM) that offers a wide range of non-credit bearing short courses. CCPD exists to support organizations and professionals through short, targeted, high-impact learning interventions that respond directly to workplace capability needs.

Our offerings are designed to be practical and workplace-oriented, flexible in delivery, responsive to organizational demand and adaptable to sector-specific contexts.

We aim to support public sector institutions, private enterprises, parastatals, development organizations, and regulated industries seeking to strengthen governance, leadership, operational efficiency, and professional competence
